Enhance your cross-cultural communication skills with a study abroad experience.

Whether you choose to live with a host family, collaborate on class assignments with local students, or interact with locals around town, you will gain insight into your own culture and grow more comfortable with the ambiguity of a cross-cultural context.

If you are looking to enhance your communication studies with global studies courses or language classes, ISA offers programs with a range of course options for students at all levels of experience.

If you need help finding specific courses that you need to take abroad, visit studiesabroad.com/course-finder and our expert advisors will be in touch with you with some program options!

GET HANDS-ON EXPERIENCE ABROAD

An international internship through ISA can help you stand out in the increasingly competitive job market. Available for a variety of majors, we offer full-time internships (in-person or online!) or add a part-time internship alongside your courses.

Discover internship opportunities available by visiting studiesabroad.com/internships.

COURSES IN ENGLISH UNLESS OTHERWISE NOTED

The following list and chart represent only a sampling of available ISA programs. To get more information on the programs shown, as well as information on all other program options, go to studiesabroad.com.

Communications
